Announcing:
NCyTE Center Welcomes New Associate Director

NCyTE Center is pleased to announce the appointment of Craig Mollerstuen as Associate Director of the two national cybersecurity education centers hosted at Whatcom Community College (WCC). Craig brings over thirty years of experience in IT, networking and telecommunications to WCC and the centers. In addition to being adjunct faculty in the MBA program at Alaska Pacific University, Craig has worked on national conferences with the International Society for Technology in Education. Craig will manage efforts of the CAE National Resource Center (CNRC), primarily the CAE-CDE Candidates Program, guiding university and college administrators and faculty through the rigorous application for CAE-CDE designation. Craig will also support NCyTE operational efforts to help ensure successful Center deliverables and outcomes.

NCyTE Publishes:
NCyTE YouTube Channel

As a part of efforts to increase the quality and quantity of cybersecurity education, NCyTE announces the launch of a new YouTube channel. This channel is geared toward cybersecurity educators—sharing useful content to help instructors prepare students for jobs in cybersecurity. Initial videos feature Philip Craiger, NCyTE Co-PI, providing a demonstration and overview of Drone Cybersecurity and Vulnerabilities.
