

Register Now! January NCyTE Member Meeting

Faculty from community colleges and universities are encouraged to attend NCyTE's Monthly Member Meeting on January 20, at 9 am PST to learn about an exciting opportunity in the spring of 2023 for students.

CSUSB Associate Professor Vincent Nestler will present on NCyTE's ten-week Virtual Cybersecurity Career Challenge (CCC) being held starting April 10 through June 17 in 2023. Dr. Nestler will discuss what students will accomplish in this year's Career Challenge and share student success stories from last spring's CCC. The CCC could also be an opportunity for students from community colleges to earn internship/co-op credit. This is a real-world experience and students will spend up to 160 hours to complete the project.

Additional, required Information Sessions for students:

The Virtual Cybersecurity Career Challenge (CCC) will be held on April 10 through June 17 in 2023. For more information or to sign up to attend an information session click one of the links below.

Community college, technical college, and university students interested in participating in the 2023 Virtual Cybersecurity Career Challenge (CCC) are required to attend one of the three information sessions held in February to be accepted into the 2023 CCC. Don't miss out, reserve a spot today!
